

QUICK START GUIDE

1. Immediately after you have finished registering, the system will display the profile questions.

2. Renzulli offers three different profilers. To change the profiler, click **Switch Your Profiler**.

EZ Read Profiler is the default selection for students in grades K-4.

Standard Profiler is the default selection for students in grades 5-12.

Spanish Profiler is available as an optional selection.

Teachers may select the standard profiler for students in grades K-4 if they feel they have the appropriate reading level required.

Teachers may also choose the EZ Read Profiler or Spanish Profiler for students who would benefit more from using these versions.

3. Select the profile you would like the student to take.
4. Click **Switch My Profiler**.

RENZULLI PROFILER™:
