3. You are ready to complete your Profiler!

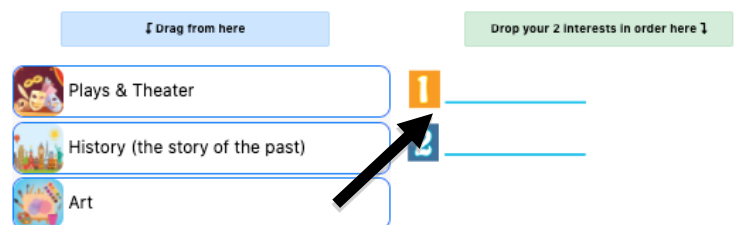

EZ Read Profiler and PreK Profiler

The EZ Read Profiler is the default Profiler for grades K-4.

The PreK Profiler is the default for grade PreK and only includes the interest areas.

1. Click the smile or sad face that tells how much you like or do not like each item.
2. Click next to continue the profiler.
3. Click back to go to the previous page
4. Some screens require that you drag and drop your two favorite choices.
5. Click and drag your choice to the space.

Standard Profiler

The Standard Profiler is the default Profiler for grades 5 – 12.

You can select different languages for this Profiler.

- 1) After answering each page of questions, click **Save & Continue** to go to the next page.
- 2) Answer the questions by clicking under the choice that best describes how you feel about each item.
- 3) To return to a previous page of questions, click **Back**.
- 4) If you need to exit the profile before completing it, finish the questions on the page and click **Save & Continue**. The next time you login to Renzulli Learning, the profile will automatically begin on the last page where you left off.

Once you complete your Profiler, your individual Profile Report will appear! You can even change the language your Profile is displayed in!

My Interest Areas

Switch Your Profiler

You are on question 1 of 10 in Interest Areas.

1. Think about your interests. Most kids your age have interests in one or more things. Check the circle that tells how much you like or dislike these things.

Luc is a sixth grade student who has special talents and abilities in school. He described his grades as above average in math, above average in science, above average in reading and above average in social studies.

He seems to have several areas of interest. His **primary interest appears to be in history & social studies**. He seems to have an interest in studying the past to learn about famous historical figures and events, antiques, old photographs, and/or oral histories (talking to people about their past experiences).

Luc's **second area of interest appears to be in mathematics**. He seems to enjoy working with numbers, problems, patterns, and logic and may also like using computers and working on logic puzzles and word problems.

Luc's **third area of interest appears to be in athletics**. He seems to like physical activity and may be interested in learning about sports, nutrition, physical therapy, or sports medicine.

Now that you have viewed your Profile you are ready to view **My Enrichment Activities** and explore the unique activities that Renzulli Learning has selected for you based on your individual profile.
