# DIFFERENTIATED BILINGUAL INSTRUCTION WITH RENZULLI LEARNING

We are pleased to announce the launch of our new bilingual education feature! This new feature **promotes biliteracy in Spanish/English** and it is a **powerful tool for dual language bilingual programs**.

With the goal of better serving emergent bilinguals, students can now:

- Navigate the platform
- Complete the profiler
- Get activity/project suggestions in Spanish and English

## WE ALSO OFFER TARGETED LANGUAGE LEARNING ACTIVITIES TO PRACTICE:

Grammar

Vocabulary

Listening

Speaking

Reading

Writing

Students can switch from Spanish to English content as needed and have a wide variety of activities to choose from based on their individual interests, expression styles, and school subjects.

# SAMPLE ACTIVITIES IN SPANISH

Our activity database includes educational games, hands-on experiments, arts and crafts, songs, interactive books, and more!

## MOLINETE DE LA GALAXIA DEL MOLINETE

La galaxia del Molinete es una galaxia con forma de espiral ubicada aproximadamente a 21 millones de años luz de la Tierra. Los científicos llaman M101 a esta galaxia que forma remolinos.

¡En esta actividad aprenderás más sobre esta galaxia realizando una réplica de ella!

## ESCAPE ROOM LA BATALLA DE MAYA EN PLINKO

Con el juego se busca desarrollar el tema de Probabilidad, Estadística e Histogramas, iniciando de manera natural con la exploración en el juego de Plinko.

## EL IMPERIO INCA

Esta ficha educativa contiene temas importantes como: El Origen de los Incas, La Leyenda de los Hermanos Ayar, La Leyenda de Manco Capac y Mama Ocllo Gobernantes del Imperio Incaico, y los Principales Incas del imperio Incaico. Al final encontrarás también una serie de actividades didácticas.

Our bilingual content gives students the opportunity to further explore their cultural background and use all their linguistic resources to navigate academic content and achieve learning goals.

We offer professional development to provide teachers with the tools to support language learning in their classroom!
