

## State Alignment Summary

Assess · Develop · Document

Renzulli Learning is the K–12 platform that **both assesses and develops the durable skills** Georgia’s **Profile of a Graduate** visions, the **23-credit Georgia High School Diploma** under State Board Rule 160-4-2-.48, the **Pathway Completer** requirement, the **Georgia Seal of Biliteracy**, the **17 Career Clusters**, the **eight Georgia Career and Technical Student Organizations**, and **Move On When Ready** dual enrollment demand — critical thinking, creativity, executive function, leadership, collaboration, communication, and self-direction.

### OVERVIEW

Georgia’s career readiness framework is built around **durable skills** and district-level **Profile of a Graduate** visions adopted across major Georgia districts (Atlanta Public Schools, Cobb, Fulton, Gwinnett, DeKalb, Cherokee, Forsyth, Henry). Anchored by the **Georgia Department of Education (GaDOE)** and the **State Board of Education**, every public high school student must complete the requirements outlined in **State Board Rule 160-4-2-.48: 23 credits minimum** — 4 English Language Arts, 4 Mathematics (incl. Algebra I, Geometry, Algebra II + 4th course), 4 Science (incl. Biology I, a Physical Science, Chemistry/Earth Systems/Environmental Science + 4th), 3 Social Studies (1 World History, 1 U.S. History, 1/2 Civics/Government, 1/2 Economics), 1 Health and Physical Education (or 3 credits of Junior ROTC), **3 credits in a Pathway**, and 4 electives. Georgia’s distinctive **Pathway Completer** requirement asks every student to complete 3 credits in a Pathway — **Career, Technical, and Agricultural Education (CTAE)**, **World Languages**, or **Fine Arts**. CTAE Pathway completers may sit for an **End-of-Pathway Assessment (EOPA)** for industry-recognized credentials. Georgia mandates **Georgia Milestones End-of-Course (EOC) assessments** in core subjects. The **Georgia Seal of Biliteracy** (Code Section 20-2-159.5, established 2016) recognizes graduates with **3.0+ ELA GPA** plus proficiency in one or more additional languages. Georgia CTAE = **17 Career Clusters with 145+ Career Pathways** under the GaDOE Office of CTAE. Eight **Georgia Career and Technical Student Organizations: DECA, FBLA, FCCLA, FFA, Georgia HOSA, Georgia SkillsUSA, Georgia TSA, and CTI** (Career Technical Instruction — for students with disabilities). **Move On When Ready (MOWR)** dual enrollment provides tuition-free college courses through the **Technical College System of Georgia (TCSG)** and the **University System of Georgia (USG)**; the **HOPE Scholarship** rewards 3.0+ HOPE GPA students. Renzulli is the only K-12 platform that both **assesses** these durable skills (Profiler, CTC, EFA, Leadership Assessment) and **develops** them (PBL, PSP, Enrichment Database).
