

NEVADA DURABLE SKILLS & CAREER READINESS

State Alignment Summary

Assess · Develop · Document

Renzulli Learning is the K–12 platform that **both assesses and develops the durable skills** Nevada’s **College and Career Ready (CCR) Diploma**, the **22 Employability Skills**, the **CTE programs of study**, and partnerships with Nevada’s **28 federally recognized tribes** demand — *critical thinking, creativity, executive function, leadership, collaboration, communication, and self-direction.*

OVERVIEW

Nevada’s career readiness framework is anchored by the **College and Career Ready (CCR) High School Diploma**, codified at **NRS 390.605**. The CCR Diploma confers the same rights as a Standard Diploma but requires students to satisfy Standard Diploma criteria (22.5 credits) *plus* complete **24 credits** and obtain an endorsement. Two endorsement pathways under **NAC 390.550**: **college-ready** or **career-ready**. The career-ready endorsement requires an **industry-recognized credential, ACT WorkKeys** career readiness certificate, **ASVAB**, or **CTE Skills Attainment Certificate**. The Nevada Department of Education’s **CRALEO** office administers CTE under **Perkins V**, with programs of study organized within Career Clusters per the National Career Clusters Framework. The **22 Employability Skills for Career Readiness Standards** — in three areas (Personal Qualities and People Skills, Professional Knowledge and Skills, Technology Knowledge and Skills) — must be integrated in all CTE course sequences and assessed via the **Workplace Readiness Skills Assessment** under **NAC 389.800**. The **CTE Skills Attainment Certificate** requires a **3.0 GPA**, passing the Workplace Readiness Skills Assessment, and passing the End-of-Program Technical Assessment. Renzulli is the only K-12 platform that both **assesses** these durable skills (CTC, EFA, Leadership Assessment, Profiler) and **develops** them (PBL, PSP, Enrichment Database).
